20TH INTERNATIONAL COMPETITION OF THE BEST SYRAH IN THE WORLD

SYRAH DU MONDE® SHIRAZ WORLD TASTING

Syrah du Monde® Awards Medals to World's Best Syrah/Shiraz Wines

The 20TH edition of the Syrah du Monde® international wine competition, organised by Forum Oenologie, has just come to an end. Over the course of two days, international experts tasted 159 Syrah/Shiraz wines from all over the world. Diversity and quality are the watchwords for the 2026 winners, which comes as no surprise for a grape variety currently enjoying rapid growth. Strict quality standards and optimal tasting conditions enabled the international judges to award 52 medals (29 gold, 23 silver) that are recognised as a reliable criterion for selection.

On May 19-20, 2026, in Ampuis Castle in Ampuis, France, an international wine competition - Syrah du Monde® - recognized the world's best Syrah/Shiraz wines, awarding **reliable and representative medals**. This competition is founded on a single conviction that **distinctive marks of quality** are the key to differentiation and to the promotion of medal-winning wines in a highly competitive and often complex marketplace. Medal-winning wineries can use their medals to develop the recognized quality of their wines.

Syrah du Monde® 2026 brought together 159 wines from 20 countries, making this competition one of the world's top events for Syrah/Shiraz wines. This marvelous success illustrates the impressive growth that this Rhone varietal has enjoyed since the 1970s.

Syrah du Monde® has carved out a place of its own amongst wine competitions, thanks to its international flavour and its rigorous methods. During the three days of tasting under optimal conditions, the international expert judges awarded **52 medals** in accordance with **international wine competition regulations**.

Syrah du Monde® has progressively distinguished itself from other international competitions thanks to quality standards that are much stricter than the norm and by remaining faithful to its founding principles: diversity, quality and high standards.

Highlights 2026

Geographical diversity: with representation from **20 countries and 159 wines**, Syrah du Monde® offers a variety of Syrah/Shiraz wines rarely equalled in competitions of this level. This makes it one of the most significant and legitimate qualitative competitions in recognizing the world's best Syrah/Shiraz wines.

A strong participation of wines from South Africa, Brazil, Italy, Portugal and Switzerland.

From France, the good participation of Languedoc-Roussillon, Provence and the northern and southern Rhone Valley is noted with a lower participation of rosés wines.

Medal-Winning Countries

Eight countries are included in the 2026 Top 10: Australia, Brazil, Canada, Spain, France, Greece, Switzerland and Türkiye.

Diversity of Sensorial Expression

Each of the wines that distinguished themselves at Syrah du Monde® did so because of **their own distinctive quality**, not in comparison to other wines. A favorable score was given to wines with good Syrah varietal character and a well-balanced oak was considered to be a plus. However, oakiness was marked down if it masked varietal aromas and flavours.
